1. Thank you for coming unto me for my words and being that which I am in the earth, a new creation now coming forth using all of the technology, tools, and all the things that I have given you; to report not on not me, but to report on me, in me, being me, I am is the one. I am now complete in him who he is -- is me, replete now. Amen.

2. Go in peace, love me more. Love the brethren and obey the commands I gave you, not a man of; but respect love and peace for all.

Amen
